THRU : Chief, Far East Branch, Analysis Division, ORR  
: Chief, Economic Research, ORR  
Deputy Chief, Industrial Division, ORR

14 August 1958

NIE 13-59 (Comm. China)

Statements by the major prospective Industrial Division contributors to NIE 13-59 (Communist China) are attached. As the attachments indicate considerable attention is being given to research on China by our machinery and electronics branches. At this time, it therefore appears that no additional research (i.e., beyond regularly scheduled program) will be necessary.
